Subject: RE: LOWERLINE STREET REMOVAL EFFORTS

I'm meeting with our contractor, ER, tomorrow, 4/30, for a site walk. To allow ER to become familiar with the Site and begin making arrangements with vendors and subcontractors. It will only be a short visit. They indicated that they might be able to mobilize on May 13 to start. It could be one more week, depending on arrangements with vendors and the disposal companies.

Subject: FW: LOWERLINE STREET REMOVAL EFFORTS

Good morning,

Gregg,

EPA, ATSDR, City of New Orleans, Public Works and LDH are working on FAQ.

The intent is to have a conference call to discuss the FAQ before rough draft is provided for review/comments.

Do we have an estimated date to be on site?

Thanks,

Janetta Coats
